## **DETAILED ACTION**

### ***Response to Request for Pre-Brief Conference***

1. In view of Applicant's request for a Pre-Brief Conference filed 07/05/2011, with respect to the rejection of 01/05/2011, applicant's arguments of 10/20/2011 have been fully reconsidered and are persuasive. The rejection of 01/05/2011 has been withdrawn.

## **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mitchell B. Wasson on 08/11/2011.

2. Claims 28-50 are cancelled.

### ***Allowable Subject Matter***

1. **Claims 51-57** are allowed.

2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or fairly suggest the claimed configuration of a first channel, a

plurality of branching second channels, the capillarity of the second channels at their branch points with the first channel being greater than that of the first channel, the second channels in fluid communication with third channels and first, second and third channels all arranged on the same planar surface of a microfluidic device. The closest prior art teaches a system of first channel with branching second channels in communication with third channels, the channels not in a single plane; the claimed configuration is not obvious over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to TIMOTHY G. KINGAN whose telephone number is (571)270-3720. The examiner can normally be reached on Monday-Friday, 7:50 A.M. to 5:20 P.M., E.S.T..
